Supervised & Non-Supervised Client Consultation Description:

22316 Advanced Diploma of Myotherapy has a course requirement of supervised and non-supervised client consultations. To gain RPL for this requirement of the course, applicants will need to firstly gain RPL for the units listed above which includes the practical evidence listed below.

Instructions

Please read the following requirements and tick the applicable box. If you wish to apply for RPL/RCC for this cluster, you **MUST** complete and provide:

- this document
- the relevant evidence you have stated which **MUST** be included with your RPL application
- the specific units of competency RPL applications

Please note: An RPL/RCC application will not be reviewed without these completed documents. No exceptions.

1. Gaining RPL (Tick boxes relevant to your application)

In order to gain RPL for this cluster you **MUST** provide the following evidence:

- Relevant transcript & certificate, or
- Resume of applicant outlining previous and/or current work within health/community environment, and,
- Letter from employer stating the applicant's current job role within health/community environment
- Gain RPL for the units listed above

And,

- Evidence of **Fifty (50)** client documents including medical history form and client cards (different people presenting with different conditions) with client identifiers blacked out, demonstrating your ability to work at a Myotherapy level with clients with a variety of presenting complex conditions including;
 - evidence of current clinical experience working as a Myotherapist treating specific conditions and diseases, proposed treatment plan, evaluation tests and implemented treatment
 - evidence of the implementation of corrective exercises for musculoskeletal rehabilitation
- Of the Fifty (50) submitted client documents, a minimum of **Twenty (20)** consultations must include the application of **Myofascial Dry Needling techniques**. Clients will need to have a variety of complex presenting conditions with Myofascial Dry Needling being applied to a variety of body regions.

Please Note: All submitted client forms must have client identifiers blacked out

2. Acknowledgement

Name: _____

Email Address: _____

- I understand that I MUST provide relevant and verifiable evidence to support my claim for RPL/RCC and my application will not be reviewed/approved without this requirement
- I understand I may be required to provide additional information to support my claim for RPL/RCC
- I understand that I may be required to demonstrate my knowledge and skills related to this cluster through the example RPL assessment outlined in this document
